

The Old Fruitmarket building recently benefited from extensive refurbishment which has given this iconic venue a new lease of life and an important role in hosting many of the city's key cultural events and celebrations. The highly atmospheric and versatile Old Fruitmarket venue space can host major events for between 450 - 1200 delegates, depending on layout. The venue lies right in the heart of the Merchant City - and is home to a very wide range of events including concerts, receptions, award ceremonies and banquets.

The Old Fruitmarket could have been designed to house events and parties rather than store bananas, apples and oranges as it did up until the 1960s. Prepare to be caught under the spell of this hugely versatile and most atmospheric venue as soon as you walk through its doors. This spacious and entrancing venue has kept all its period charm, including the lofty vaulted roof, cast iron columns, original signage and balcony. The Victorian architecture creates a visually dramatic setting for larger receptions, award ceremonies, parties and banquets.

Catering

A full range of quality catering services can be provided by Encore Hospitality Services who have a full, permanent event catering base within the Old Fruitmarket.

We can supply standard AV equipment, technical, security support and advise on most other event-related services for your event at very competitive rates.
