

Mint UK combines information from 11 specialist sources and allows you access to over 5 million UK companies (including unincorporated businesses). The information is presented in a variety of formats and allows you to:

- ▶ Search for companies, news articles, directors and industry profiles matching specific criteria.
- ▶ View the corporate group, credit scores, brand names and activity descriptions.
- ▶ View results in flexible and fully customisable lists to create highly targeted mailing lists
- ▶ Access articles taken from various providers including the FT news sources.
- ▶ Search information on both current and previous directors of UK businesses. Provides address, date of birth, nationality and biographical information for directors of listed companies.
- ▶ Access Market Research reports with global coverage provided by MarketLine and Morningstar.
- ▶ Create impressive graphs to illustrate your results for use in reports or presentations

The **Mint UK** database offers an alert system meaning that you can monitor companies and receive emails when

- ▶ Their report is updated
- ▶ Directors change
- ▶ They appear in news articles

How do I Access it?

You can access Mint UK by coming into any Glasgow Library or the [Business @ The Mitchell](#) department of the Mitchell Library with your Glasgow Library card.

All information is free to view however there is a charge for downloading or printing. Downloading and printing is only available at the Mitchell Library. Help in constructing searches and downloading information is always available from [Business @ The Mitchell](#).

You will find details for our monthly Mint Workshop through the [Business @ The Mitchell Events](#) page.

If you have not already signed up you can [join online](#) at www.glasgowlife.org.uk/libraries or in person at any [Glasgow Library](#)
