Services

The public searchroom has a large number of finding aids, including databases for the family historian, as well as paper catalogues and indexes of most of our holdings. You can also access summaries of many of our catalogues online at www.scan.org.uk. The duty archivist is happy to help and will point you towards records which will assist with your enquiry. Those undertaking a research project may wish to make an appointment with an archivist to discuss possible sources. Some records may be closed for 30 to 100 years in line with Data Protection. We can supply photocopies of documents and plans, as well as laser and other photographic services.

Talks and workshops: We are happy to talk to groups, either in The Mitchell or elsewhere.

preservation of historical documents

The Archives exist to preserve and give access to the historical records of Glasgow. We are always keen to accept further gifts and deposits (on long-term loan) of records of historical significance, which will help us understand the ordinary and extraordinary people and events, which helped shape the history of Glasgow.
