

Tollcross Community Centre User Guide

The aim of this guide is to support children, young people and adults with autism to access the venue and the services it offers.

Welcome to Tollcross Community Centre

Once you walk through the front door you will find the information desk on your right. This is the information desk.

There are also toilets that can be used when at the Community Centre and could be used by anyone visiting.

Staff will wear badges and uniforms like this and will be able to help you.

Sometimes there might not be a member of staff at the desk but, if help is needed, someone will come to help as soon as they can.

The lounge can be used as a quiet area.

Tollcross Community Centre is busy throughout the day and evening.

The fire alarm will be tested on a Friday between 3pm and 4pm.

Computers are available for use at the Community Centre. The staff will help to set up a password.

We hope you enjoy your visit to Tollcross Community Centre and we look forward to seeing you again.
