

Couper Library User Guide

The aim of this guide is to support children, young people and adults with autism to access the venue and the services it offers.

Welcome to Couper Library

After entering the library use the door on your right and you will find the information desk.

This is the quiet area. This can be found to the right of the reception desk.

Sometimes there might not be a member of staff at the desk but if help is needed, someone will come to help as soon as they can.

A member of library staff will be wearing a badge like this and will be able to help you.

To take out books you will need a library card. To get a library card you need to bring something with your name and address on it to the library. You will also need to fill in this form. Staff will be able to help you.

There are also toilets that can be used when at the library and can be used by anyone visiting.

These toilets are found to the left of the main entrance. Ask a member of staff for the key to use the toilet.

Couper Library can be busy on a Monday between 1pm and 3pm. Children come to sing and play.

The fire alarm will be tested on a Friday between 10am and 10:30am.

Computers are available for use while at the Library. You can also use the free Wi-Fi.

We hope you enjoy your visit to Couper Library and we look forward to seeing you again.
