Bookbug at Glasgow Libraries

Bookbug Sessions are free, fun and friendly events for babies, toddlers, pre-schoolers and their families to enjoy together. Each session is very relaxed and lasts around 30 minutes and includes songs, stories and rhymes. It's a great opportunity to spend some quality time with your little one. There's no need to book in advance, you can just pop in.

Going along to a session is a great way to meet other mums, dads, carers and children in your local area. They also have lots

of benefits for your child, such as building up their confidence and social skills, and will give their speech and language development a real boost!

Bookbug gifting, programmes and library challenge activities take place across Glasgow Libraries. Check out our website or contact your local library for more information.

UNESCO says reading for pleasure is more important than social class in determining economic and academic success. Your local library is your gateway to a world of opportunity and learning. Give your little one the best possible start in life and introduce them to your local library as early as possible.
