**HELP DECIDE THE FUTURE OF YOUR LOCAL
COMMUNITY FACILITIES IN NETHERTON**

QUESTIONNAIRE

Introduction

Some areas within Netherton Community Centre have been refurbished and the venue is due to re-open in January 2020. There is a lot of land behind the centre and several buildings which still require investment and we would like to find out what you would like to see in these areas.

Whilst ideas and suggestions that are generated through this process would be dependent on being able to secure funding; your answers will help influence the recommendations that will go to Glasgow City Council for consideration as part of their capital investment programming for the city.

The survey is intended for anyone living in the area or who access the facilities at Netherton.

2 x Grass Pitches – currently maintained by Glasgow Sport
