

MOVING

I can move in lots of different ways with my head up looking forward

I can move forwards, backwards, sideways and in a zig zag

I can move in and out of cones without touching them

I can move around on my hands and feet

I can dodge other people or a ball moving towards me

STICKER WHAT MOVES YOU CAN DO!

(using each leg)

I can **wake up** my sleepy spiders

BALANCE MOVE

I can **walk** around on my tiptoes

HEALTHY MOVE

I can **try** a new vegetable with dinner
