

# RIVERSIDE MUSEUM

---

Offer your tour group something a little out of the ordinary with a visit to the award winning Riverside Museum. Designed by world renowned architect Zaha Hadid, the building is a masterpiece of modern design, which plays homage to the city's relationship with shipbuilding and fittingly is home to the world famous Tall Ship.

Behind the magnificent façade your Tour Group can experience a piece of Glasgow's rich and fascinating heritage through the interactive displays, as they take a walk through the historic Glasgow streets and visit the shops and bars of bygone years.

With over 3,000 objects on display, there's everything from skateboards to locomotives, paintings to prams and cars to a Stormtrooper, you'll find it all here and more at the Riverside Museum.

Tailor your group tour with packages including behind the scenes access, exclusive use and so much more.
