### Play must be booked

- Glasgow Life bowling greens are now for BOOKED PLAY ONLY, there is no turn up and play. This is to manage numbers so we ensure players and staff comply with social distancing rules.
- Bookings can be made online only at [myglasgow.club/outdoor](https://myglasgow.club/outdoor)
- We will allocate 30 minutes between booking slots to minimise the number of players arriving and leaving at any one time.
- There will be a maximum of four people (one Pairs Game) who can play per rink at any one time and in accordance with Scottish Government requirements.

### Arrival and waiting to play

- The clubhouse, locker room and toilet facilities will remain closed.
- Please do not arrive earlier than five minutes before play and stay outside the parameters of the club until it is clear to enter.
- If you wish, please bring your own hand sanitiser and use this throughout play.

### During play

#### Mats and jacks:

- Please bring your own bowls, jacks and mats. No equipment will be available.

- Players should use separate mats and jacks.
- As a suggestion, jacks or mats can be set at short, medium or long by the same player after each end rather than rolling the jack down the rink for position.
- A maximum of four people (one pairs game) can play together.
- The two-metre social distancing rule must always be observed on and off the green.
- Other bowls equipment cannot be shared (eg cloths, measures etc).
- Always practice safe hygiene. Cover coughs and sneezes with disposable tissues or clothing and wash or sanitise your hands after. Avoid touching your face and mouth to reduce the chance of passing an infection to yourself.

### **You should NOT**

- Pick up any other player's bowl.
- Share equipment outwith your rink eg cloths, measures, etc.
- Moisten hands with saliva before delivery.
- Shake hands, high-five or have any physical contact with other people on the green (except people from your own household).

### **After play**

- Please leave the venue immediately. This is to allow the next bowlers to be able to observe social distancing.
- The locker facilities will be closed so please take all equipment with you.

***Thank you for taking the time to read these guidelines. Keep safe and enjoy your game.***
