COP 26 Glasgow

Achievement

In 2020, our “Dear Green Place” was recognised as a Global Green City. Now we are preparing to host the most important global climate event of a generation.

**UN CLIMATE
CHANGE
CONFERENCE
UK 2021**

As citizens and employees, we can all be sustainable role models by adopting these “green” New Year’s Resolutions:

Environmentally
Responsible

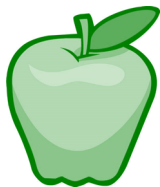

No
thank you

Use a reusable
coffee mug

Use a water
bottle

Eat local &
seasonal

Shorter
showers

Eat more
plant foods

Walk & cycle
where you can

Learning

“All we are trying to do is raise public awareness and create public opinion. It is after all public opinion which runs the free world and that is one of the biggest sources of hope right now.”

- Greta Thunberg

Customer
Focus

“To save the future, we must
make history now”

– Sir David Attenborough
