

Screen mirroring with an Amazon Fire TV Stick: Phone or Tablet Device

Connecting an Amazon Fire TV Stick to your TV lets you display your phone or tablet's screen on the TV screen.

How to stream:

Step 1: Go to the Settings menu on your Amazon Fire TV Stick.

Step 2: Select Display & Sounds, followed by Enable Display Mirroring.

Step 3: On your phone or tablet device, select the screen mirroring option (you will need a device that has this capability – not all do).

Step 4: Select the Amazon Fire TV Stick device you want to connect with and your device's screen will now be mirrored to the TV
