What Can You Spot in Kelvingrove?

Welcome to Kelvingrove Art Gallery and Museum! These are some suggestions of activities and games that you can play with your household while you are here. Most of these can be done in any gallery. You can play as much or as little as you like, and the ideas can be adapted for any age. Have fun!

Please remember to keep your distance from other groups – keep two pumas distance from others – and please follow the new route system as much as possible!
