

Hieroglyph Hunt

Ancient Egyptian hieroglyphs are pictures that mean something. Sometimes they can be a sound but sometimes they mean a whole word or they tell you about something.

We still use pictures like this today.

I've been on a hieroglyph hunt round my house.

Can you see these pictures?

What do you think they mean?

Your Challenge:

Can you find any more modern-day hieroglyphs in your home?

Tip: look on labels in clothes, back of packets and jars... there's lots of hieroglyphs hiding!.
