Now let's head upstairs to find some armour!

Conflict and Consequences

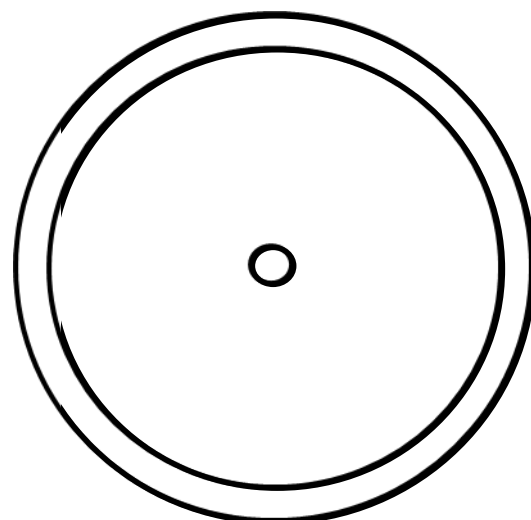

Q. How many arrows are hanging from the ceiling?

A. _____

Design your own fashionable shield by drawing on the

Escape past swords into the sights and sounds of the **rainforest** in **Object Cinema**!

Object Cinema

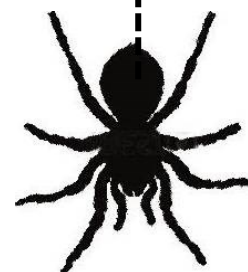

Stand on the **spider** image on the floor. Look into the cabinet to see a **huge spider**!

Q. What is the name of the spider?

A. _____

Hop past the **frog** on the floor. Push the button beside the cabinet on the wall to illuminate amazing insects inside!

Q. How many **butterflies** can you see?

A. _____

1, 2, 3 . . .

Scotland's' First People

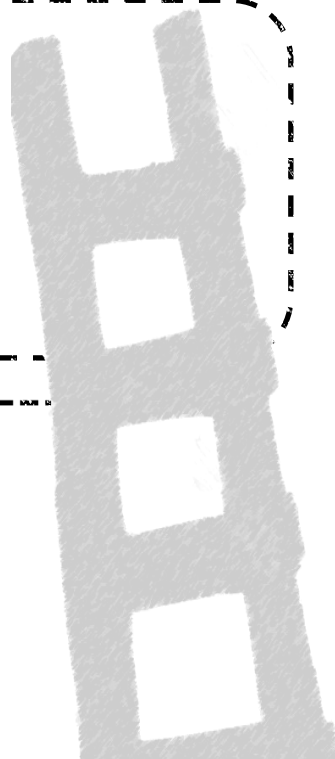

Walk through this gallery until you find a **ladder** on the wall.

This was found a long time ago in the river Clyde on a **Crannog**.

Crannogs were artificial islands on the water, made by people to live on.

Come out to the **balcony**, turn **right**. Follow the **black and white floor** to the balcony on the **East side**, towards the floating heads . . .

Scottish Identity in Art

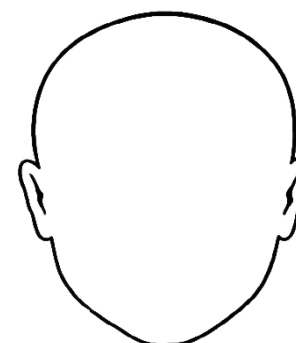

Look opposite the entrance to this gallery, overlooking the balcony and the heads. You will find a sculpture of a famous Scottish poet called **Robert Burns**.

Tell him a poem or rhyme that you know or make one up!

The Floating Heads

Continue walking until you get close to the floating heads by Sophie Cave. What expressions can you see? Can you draw a different emotion? on this head?

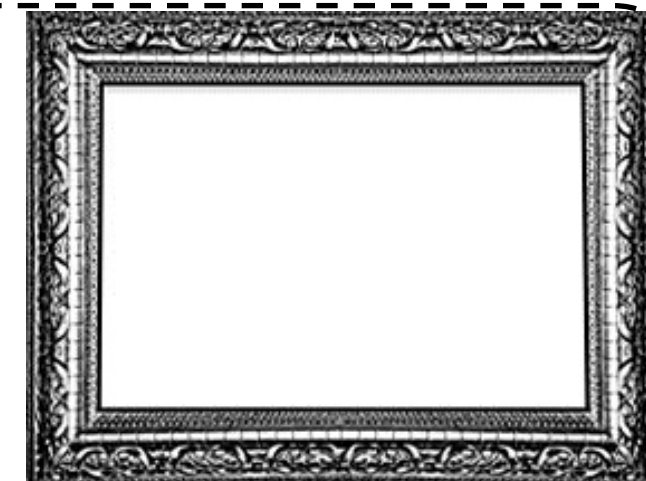

French Art

Continue to end of the corridor and enter the gallery called **French Art**.

Choose your favourite painting and draw it in the frame.

Mackintosh and the Glasgow Style

Come out of the **French Gallery** and down the stairs to the **first floor**. Go behind the stairs.

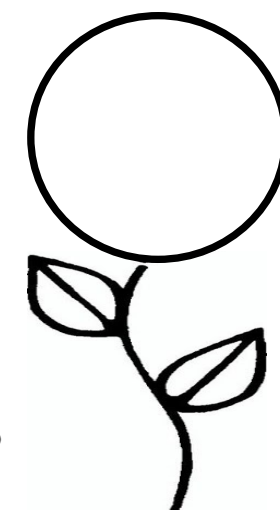

Charles Rennie Mackintosh is famous for his **architecture and furniture designs**.

Q. What is your favourite object here?

A. _____

Q. Name a building that he designed.

A. _____

Draw the Mackintosh rose!
